## 666 Sins of the Bible to Uninstall from Yourself

Know What the Sins of the Bible Are – Most People Do Not Know Most of the Sins of the Bible these Days and They Are Committing Them.

You do sins because you think they are ok or good to do. You have been programmed by the ruler of this world sneakily through trickery; he is very talented at his deception. What is this programming? These programmings are the beliefs that you were convinced to believe whether you were aware at the time of belief or not. You only do sins because you believe that they are ok to do, good to do or that you 'have to' do them. Discover first these lies from this list. Find when you first believed these lies by working with the Lord, asking Him for help. Confess, admit, realize, agree to that these are wrong and bad, cutting the belief at the root. Once you finally, bluntly and factually admit their wrong, you really can't do them again unless you force yourself to do them for whatever unwise reason.

Know the sins and understand what they are so you can admit they are wrong, stop doing them and start obeying God. Download. Print out. Write notes. Write questions to ask Jesus your One and Only Teacher. Listen for answers on your insides.

You'll be surprised how many you're likely committing. I was personally shocked how terrible I was doing when I first starting going through this list. I thought I was doing "pretty good" and ended up what looks to be messing up 80% of the list roughly at the time. .

Get Perspective. Even and especially after you have become born again you must repent of your sins.

- "People don't go to Hell because of their sin but their unrepented sin" – Hyun Sook Na – who has been visiting Heaven and Hell for over 20 years. "You must repent out of your past sins

“in the Name of Jesus” to have those sins covered under the Blood of Jesus...” She goes on to witness that many people after becoming born again didn’t think they had to repent of sin so they ended up in Hell after they died. Many people have sticky masses of sins piled up high in a Book of Sins. You do not want to have any sins in that book of sins and you can have them erased out through repentance.

- “As soon as someone sins, turning to the world, their name is written out of the book of life. But as soon as they repent their names are written back in” (paraphrased) Sarah Boyanga – from her extensive Heaven and Hell visitations.
- Jesus Says you won’t have any part with Him unless you wash your feet
  - [John 13:8-11](#)

<sup>8</sup> Peter saith unto him, Thou shalt never wash my feet. Jesus answered him, If I wash thee not, thou hast no part with me.

<sup>9</sup> Simon Peter saith unto him, Lord, not my feet only, but also my hands and my head.

<sup>10</sup> Jesus saith to him, He that is washed needeth not save to wash his feet, but is clean every whit: and ye are clean, but not all.

<sup>11</sup> For he knew who should betray him; therefore said he, Ye are not all clean.

- 2 Peter 20-21

- <sup>20</sup> For if after they have escaped the pollutions of the world through the knowledge of the Lord and Saviour Jesus Christ, they are again entangled therein, and overcome, the latter end is worse with them than the beginning.<sup>21</sup> For it had been better for them not to have known the way of righteousness, than, after they have known it, to turn from the holy commandment delivered unto them.”
