## Salvation More Simple that We Make it Here is How...

Some commentary in reflection to the video below by Chuck:

- A lot of people overtime have had a lot of ideas for trying to make it easy for people to understand how to go to Heaven. And with so many different messages for that were simply slices of the whole pie, a lot of people are more confused than ever these days.
- Then on top of it we have so many of these Heaven and Hell visitation testimonies that essentially bring out that everything stated in the Word of God as very serious and real. These visitation testimonies emphasize that we need to do what the Bible says very strictly or we are in big trouble.
- Religions, Christian religions, denominations over the decades have avoided talking about many of the important points of the Bible because either they wanted to preach a message that seemed easier or that was more laid-back. Or on the other hand just due to lack of knowing the Bible, they simply didn't know what they're talking about since they never got to KNOW the Bible well but only learned ABOUT the Bible. Or they only got to learn the Bible as it fit into their man-made structure that focuses on certain aspects while cutting other aspects out and then while twisting up the aspects they do take out of the Bible because you

can't understand parts of the Bible unless you understand the whole Bible.

- Or those Christian religions and denominations became actual Kingdom of Darkness workers who told you a lot of nice sounding parts while intentionally getting you to ignore the rest especially intentionally getting you to ignore what Jesus is Lord means. Because having Jesus is Lord, which means that you will obey Him, IS salvation! Believing that Jesus was raised from the dead is unto righteousness but obeying is unto salvation. See Romans 10:9-10 <https://biblehub.com/interlinear/romans/10-9.htm>
- Well Chuck mentions some very important points in this video that are very helpful. Who is Chuck Pierce? He's one of the top prophets on the planet and he has an extremely blessed ministry. He looks to obey God. From impression, he's genuine and cool about his relationship with God and he is earnest in seeking to do what God says. He was also featured on Elijah List as one of the most respected prophets these days. This introduction for him is stated so that you would consider being a regular listener to his videos for your own benefit and the benefit of the Kingdom of God and the benefit of the planet.
- So if you want to be saved which I'm sure you do, then do what God says from his Word. Put God's Word first over what any man tells you!! I speak from experience and all of I've gotten myself into you over the years listening to this or that person instead of listening to God directly and doing what He says, doing what he has said already in His word, in particular the New Testament.
- So what does the New Testament say about how to get saved?
  - Drop your ways and drop the ways of the world and go with God's ways. Don't lean on your own understanding. Just give up trying to control and simply hand the control over to God. You and innately know how to do this so you don't have to think and try to figure out how to do that. So another words forget everything that you think you need to do, forget absolutely everything and now have your whole life and way of thinking be restructured by God, by doing what he says.
  - You will now be free from the world and its ways and pressures and obligations when you understand that all you you are obligated to do is just obey God. You'll be free from family and friends pressures and obligations that are just erroneous and that are holding you back. And when you

start doing things God's way then everything starts going super well in time and everyone around you can be blessed by you and through you we need too much happier lives and eternal successes.

- Why is there so much emphasis on obedience? Well as the Bible says and some Heaven visitation people say there are absolutely huge rewards and positions in the Millennial Reign and also on the new Earth. You have to learn how to follow the chain of command, kind of like military in order to rule over an area as a king or lord. Remember that one of Jesus's names is King of Kings and Lord of Lords. Those who are well-trained in obeying Jesus can become a king and a lord underneath Jesus' command. So the future opportunities are absolutely massive. Please do keep this in mind and understand that with his perspective obedience becomes a lot more fun and exciting!
- Let God be your Teacher. Let God be your life coach even moment-to-moment. You do that by walking in the Spirit. You get your new spirit man and Holy spirit when you believe on Jesus with your whole heart. You received the Spirit of God by believing on God the son, Jesus. You believe that Jesus died for your sins and then was raised from the dead. You believe this in your heart, your whole heart; you believe all the way the Jesus is God the son who died for your sins and rose from the grave back to the right hand of God the Father. So you follow the guidance even moment-by-moment in real time to the spirit of God.
- AND THEN for the rest of your life you do what Jesus says from the New Testament and in real time and you will be saved. See Romans 10:9-10. (and confessing Jesus is Lord means that you are admitting that you need to obey Jesus as Jesus says " why do you call me Lord Lord and not do what I say".)
- The New Testament has all the instructions on how to be saved. Don't listen to man only! Don't listen to man telling you the minimum requirements to be saved! That is extremely dangerous, eternally dangerous and eternity is a long time and it's permanent. Be taught by God Himself and respect His Word and respect His Voice in real time. So what exact action steps should you take? Well from my experience I would say to start reading the New Testament

12 times a year and you can use our Volume Bible Reading Plan to do so that has the Volume Bible Reading System.

- [Bible Reading Plan – 12 Times a Year New Testament](#)
  - [Volume Bible Reading Plan Read the New Testament 12 Times a Year Spreadsheet](#)

## Video Notes

- First fruits applies more than ever. If you give God the BEST He will bless the rest. No longer a hackneyed banal over used statement.
- Find out from God what's your best to give
- Find out from God where to invest, to give so it counts.
- From now on do everything and only things through direction of the voice of God, Holy Spirit within you
- If absorbed mentally and emotion all with debt then all you see

are the structures of debt. Your focus is on dead and not on God?

- Jesus was/is God, as man. God is God. Jesus is God Who came in the form of man. Hebrews 1:3 says that Jesus is an exact reproduction of God. So in that sense this could imply that Jesus is not a created being but a copy, an exact copy of God the Father. So did God the Father duplicate Himself like cell division? Things to ask God directly. Hebrews 1: 3 again, Jesus is the exact expression of of a substance, the [charaktēr](#) of the [hypostaseōs](#) of Him.
- Salvation: we make too hard. It's this: I want to be connected with the One Who made me. And only way I can do that is submit self to His Son and learn example of His Son.
- Jesus was/is a tough person. His mouth cut things apart: religion, sickness, poverty. When people hear Jesus they had to choose to follow Him, obey Him
- Disconnect with structure you've been in and reconnect with God and flowing, following, obeying Him in real time.
- Everyone knows that they need to obey their fathers, their dads or there's big trouble. That trouble used to come into the form of grounding, time out, taking away of "blessings" or spankings.
- Denominational structures are old wine skins.
- You have to learn to hear Holy Spirit. So go after identifying God's voice.
- Hear God. Speak what He says to you to speak into the atmosphere. That changes things and breaks curses.
- Going forward Christianity will be about hearing the Spirits voice and doing as directed. Out with the old religious strong holds.

## Study into What the Bible Says on How to Be Saved Comparing the Gospels Resolving in to Acts

- Keys to Kingdom – understanding on how to get into Heaven first given to Peter
  - Peter commissions to feed the sheep – give the gospel message.
  - Repent – change what you believe, change who your are following, change who you are obey from Satan to Jesus and His commands
  - Believe on the Lord Jesus. This means you believe Jesus and what He says which are all the commands of the New Testament. This includes believing that Jesus died for your sins and was risen from the dead. Believe that He is God, the Son. Believe He is Lord and follow Him, which means you need to obey what He says from the New Testament and in real time in the Spirit.
  - Be Baptized: Emphasis on how baptism is an essential part.

# **Listen to Jesse Help You Get into Heaven Right NOW**

## **Listen to Jesse Help You Get into Heaven Right NOW – Instructions Are Below:**

Jesse Duplantis who of recent caught flack by the wicked main stream media (currently wicked although they are to turn good or gone later) for telling his congregation that the Lord told Him to believe, as an exercise of faith, for a jet (not for donations even). Since he was attacked by the weasily wicked in such an over the top pathetic way, I thought, when I first heard the report, 'hey this guy must be onto something good if he's being attacked...'

Speaking of money, I hope you understand that in this Kingdom age, that just started essentially in 2016, the wealth of the wicked will be transferred layer by layer to God's kids who walk in faith and obedience. But did you know that the wicked are terrified of genuine believers in Christ to have money and their own economy? Oh yes they are, and it's in their own documents to try and prevent and convince genuine Christians to not have money because if they don't, they will be weak and easy to take over (which they did for 70 years prior). Because if obedient Christians who obey Jesus' command have money, they will handily conquer the world for Christ saving billions of lives in the process.

Speaking of Jesse Duplantis ministries he actually shows everything up front where finances go – that’s great because we all need to know that we are actually investing into the Kingdom of Heaven and that our money invested into a ministry will actually bring an eternal return. We certainly don’t want to waste money or worse, invest in an errant ministry that ends up putting people in the pit. Actually it’s pretty impressive and they actually are audited for church financial integrity having the certificate certifying so [and you can see it on this page](#). Additionally I have no affiliate interest nor do I know much about Jesse’s ministries. I was told to look him up and I became inspired to post so that’s what I’m doing.

**Speaking of money there’s a lot of confusion. So let’s clear that up. God wants your heart and He doesn’t want your heart to be owned by money. But you can have money and tons of it. People worry too much about it.**

But when you do have a lot of money and you don’t understand how money works and you don’t understand that having an Earthly money is to be transformed into Eternal money by investing into the Kingdom of Heaven (while not accidentally, or tricked into investing into the Kingdom of Darkness), then that’s when you can get into trouble with money. Then if you say it’s better to be poor well then that severely inhibit your ability to be productive and be a servant that produces a return for his master. Remember we want to be the servant that produces the greatest return for God and the Kingdom.

Now what is this about producing a return? Well according to the Bible it’s essential to eternal life and if we don’t produce a return like the guy with one coin who hit his coin in a napkin when he was told to go make profit.

*Matthew 25: 14 For the kingdom of heaven is as a man travelling into a far country, who called his own servants, and delivered unto them his goods.*

*15 And unto one he gave five talents, to another two, and to another one; to every man according to his several ability; and straightway*

took his journey.

16 Then he that had received the five talents went and traded with the same, and made them other five talents.

17 And likewise he that had received two, he also gained other two.

18 But he that had received one went and digged in the earth, and hid his lord's money.

19 After a long time the lord of those servants cometh, and reckoneth with them.

20 And so he that had received five talents came and brought other five talents, saying, Lord, thou deliveredst unto me five talents: behold, I have gained beside them five talents more.

21 His lord said unto him, Well done, thou good and faithful servant: thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy lord.

22 He also that had received two talents came and said, Lord, thou deliveredst unto me two talents: behold, I have gained two other talents beside them.

23 His lord said unto him, Well done, good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things: enter thou into the joy of thy lord.

24 Then he which had received the one talent came and said, Lord, I knew thee that thou art an hard man, reaping where thou hast not sown, and gathering where thou hast not strawed:

25 And I was afraid, and went and hid thy talent in the earth: lo, there thou hast that is thine.

26 His lord answered and said unto him, Thou wicked and slothful servant, thou knewest that I reap where I sowed not, and gather where I have not strawed:

27 Thou oughtest therefore to have put my money to the exchangers, and then at my coming I should have received mine own with usury.

28 Take therefore the talent from him, and give it unto him which hath ten talents.

*29 For unto every one that hath shall be given, and he shall have abundance: but from him that hath not shall be taken away even that which he hath.*

*30 And cast ye the unprofitable servant into outer darkness: there shall be weeping and gnashing of teeth.*

Now going forward do understand that it's going to take money and a lot of money to go out and share the Gospel with the entire world, everyone. This is the time of the Great Harvest. It's the greatest time on Earth besides the Millennial Reign. You certainly don't want to miss out on this opportunity for you to get saved into Heaven as well as an opportunity to build Eternal wealth.

Your job is to obey Jesus commands. That's how you make Him and keep Him your Lord. He commands you to become eternally wealthy. This is done through obedience which gets you to bear fruit, which gets you to do acts of Godly love and kindness. Did you know that those who love a lot, do acts of love through obedience and who grow the Kingdom, have homes as big as cities in Heaven? Heaven visitation videos will tell you about that.

Right now you need to be able to get into Heaven. You need to gain the ability to build wealth. So in order for you to technically and mechanically be able to get into Heaven and start building eternal wealth, you need to become born of God, born again from above. This comes by genuinely believing with your whole heart on Jesus.

**And Jesse will explain so very nicely below: [Click the picture to go to the video](#)**

[From his site:](#)

*“Lord Jesus, I ask You to come into my life and forgive me of all my sins. I confess my sins before You this day. I denounce Satan and all his works. I confess Jesus as the Lord of my life. Thank You for saving me. I believe with my heart and I confess with my mouth that You rose from the dead. I am saved. Write my name in the Lamb’s Book of Life. Today is my God-day with the Lord Jesus! I pray this prayer to the Father in the name of Jesus. Amen.”*

**Heaven – If Elvis Michael Jackson  
Whitney Houston and Robin  
Williams Made it Into Heaven –  
You Can Too**

**Heaven – If Elvis Michael Jackson  
Whitney Houston and Robin  
Williams Made it Into Heaven –  
You Can Too**

Look. First of all blessings and love to: Elvis, Whitney Houston, Michael Jackson and Robin Williams. They are confirmed in Heaven as you can see on the video below on one of the Heaven Visitation people who gets caught up to Heaven like John of the Bible and Paul and like many many many other people do these days. (Hey maybe you can ask God and He'll let you come up and visit (before dying of course)).

Those 4 celebrities put in a life of hard work and pursuit of their gifts. And they did great things and had great moments with their gifts. But as well publicized, they all struggled with various struggles, obvious sins and so on... But they made it into Heaven!

Most people would expect all of these guys to be in Hell. And actually the Kingdom of Darkness has been making fake Heaven and Hell visitations to create confusion, disbelief along with all of their

deadly mischief that tricks those who do not know the Bible well and who do not test the spirits as John in the Bible tells us how and Kat explains in the video. And the Kingdom of Darkness tries to twist and leverage showing popular people that are "in Hell" but are not in Hell. They also can make mock Heaven's in the spirit realm. So test the spirits and only go with those who confess that Jesus is God the Son who came in the flesh to die for the sins of the world.

Yes this spirit realm stuff is VERY real, more real than our 3d "Matrix" "arena" in which we are living. After you are detached from this flesh body your existence experience is only in the spirit realm. There are 2 destinations because all of the universe is undergoing a great separation between good and evil: the 2 destinations are: 1. to the home of evil, iniquity, sin and death: (Hell then the Lake of Fire) 2. Or to the home of goodness, life, creation, love, God, Heaven and beyond: Heaven and the New Earth and New Heaven. But your time of testing is now. You can choose to be covered by Jesus, God the Son, Who came to die for your sins so you could be redeemed and covered by Him to be saved into goodness and holiness or stay the same and continue onto option 1.

Jesus is a Savior because we need to be saved. Saved from what? The cancerous infection of sin. Sin is a being. If you've let it in your life once (which all have sinned and come short of the glory of God an holiness), then sin owns you, you are infected. If sin owns you then it comes to claim you when your flesh body expires. So my advice is to you is: Get SAVED! Be one who made it into Heaven too! Because Hell... that's just not an option!!

"How do I do this?" you may ask? Well you need to believe on Jesus with your whole heart, ask Him to save you, ask Him to redeem you, ask Him to be your Lord and instruct you what to do in your life to be eternally successful while developing a closer and closer relationship with Him, God in the process.

So you can say a salvation prayer below. Scan through it to know what's in it. They pray to God your Maker (not some god of a religion) but to God your Maker Who you KNOW is God from your sense of knowing (you knew Him personally before you came to Earth so you already know Him) – pray the prayer to God with all of your heart. Believe as a verb with all of your heart. If you need help then Ask God for Help! He'll help you.

As you invite Jesus into your life to be your Lord, your Teacher and your Savior understand that this is a big deal and all of Heaven including Elvis, Whitney Houston, Michael Jackson and Robin Williams will be watching this very moment with excitement and love, cheering you on! They made it into Heaven so you can too! So get excited! Pray to God and get saved now!

## **SALVATION PRAYER**

**Dear God in heaven, I come to you in the name of Jesus. I acknowledge to You that I am a sinner, and I am sorry for my sins and the life that I have lived; I need your forgiveness.**

**Here – Get into Heaven Now – Nice  
Salvation Prayer You Can Say –  
Take Action Now While You Can**

**Here – Get into Heaven Now – Nice  
Salvation Prayer You Can Say –  
Take Action Now While You Can**

1. Become Born again from above by first by believing. As God the Son tells us, you can't get into Heaven without becoming born again. Why? Because you need that holy, perfect, spirit man version of yourself that was lost when Adam and Eve sinned in the Garden of Eden. That spirit man is born of God, is perfect, holy, does not sin (and is also really a really good looking version of you according to those who have been shown.). That said, this "new man" is perfect, your soul isn't instantly zapped perfect otherwise you'd become like a robot. So now by an act of your will (you = your soul, your will, your minds, your personality...) choose to obey Jesus's commands as Lord and stop obeying Satan's commands as lord, your current lord by default since Satan was given lordship over the Earth, for now, and you grew up, and were trained under His Kingdom of Darkness,

in the "ways of the world". So then you move to step 2 in order to switch Kingdom's:

2. Then Salvation, Eternal Life, Heaven... Comes by: first confessing Jesus as Lord, admitting, submitting, acknowledging and inviting Jesus to be your Lord. This then means obeying Him from His commands of the New Testament (any verse from the New Testament said in a command or implied command style) and by obeying (following) Him in real time in the Spirit. Whomever or whatever you obey is your lord. Make Jesus your Lord if you want to get into Heaven which again, means to obey Him. (i.e. don't make yourself your lord, your religion your lord or let anything or anyone else direct your life, even moment to moment, second to second.) Follow after your new spirit man after you become born again then you will do the right thing (as opposed to following after your flesh). For if you want to be and remain a citizen of the Kingdom of Heaven then you need to obey the laws of the Kingdom, the "Country" of Heaven, and the laws of this new Country are given by the King of Kings and Lord of Lords, Jesus, King of the Kingdom of Heaven about to be complete Ruler of the Universe.

Here: say this and mean it. If you need help go ask God directly. You don't need to ask anyone else. You're dealing with God your maker now. Hop on to it.

# SALVATION PRAYER

Dear God in heaven, I come to you in the name of Jesus. I acknowledge to You that I am a sinner, and I am sorry for my sins and the life that I have lived; I need your forgiveness.

I believe that your only begotten Son Jesus Christ shed His precious blood on the cross at Calvary and died for my sins, and I am now willing to turn from my sin.

You said in Your Holy Word, Romans 10:9 that if we confess the Lord our God and believe in our hearts that God raised Jesus from the dead, we shall be saved.

Right now I confess Jesus as the Lord of my soul. With my heart, I believe that God raised Jesus from the dead. This very moment I accept Jesus Christ as my own personal Savior and according to His Word, right now I am saved.

Thank you Jesus for your unlimited grace which has saved me from my sins. I thank you Jesus that your grace never leads to license, but rather it always leads to repentance. Therefore Lord Jesus transform my life so that I may bring glory and honor to you alone and not to myself.

Thank you Jesus for dying for me and giving me eternal life. AMEN.

Disclaimer: This is a screen shot of a nice salvation prayer. I found it on my desk top. I do not remember where it was from. So may eternal credits go to whomever typed it up.

Down load the prayer or type your own version up of it and pass it around.

Ok. We'll hang out in a few thousand years or hopefully sooner and then later after that. We'll go do some fun things together in Heaven. It will be a blast. If you want to know more about what's in Heaven and the future and the distant past learn from Kat Kerr who has visited Heaven thousands of times. [Here are ~ 100 videos on a play list in Youtube.](#) Also she has 2 websites where you can buy a bunch of recordings and some books at low prices and learn a ton about Heaven and what you're supposed to be doing now to become eternally great (and eternally wealthy). Be blessed and prosper in the Name of Jesus, God the Son!

# **How to Become a Born Again Super Powered Being that Gets You Into Heaven**

## **A Note to a Friend on How to Become a Born Super Powered Being that Gets You Into Heaven**

Note: this is not the most formal description, it's actually a note I sent a new friend. Maybe it can help you get into Heaven and understand how to break free of religious bondage and the same time so you can live a MOST AWESOME Life NOW and for ETERNITY! Yahhhhooo!

"Ok you're going to be my friend forever when you get this and then do this (if you haven't already). ☐

Born Again also called Born from above is one of the biggest miracles from Heaven where Jesus' Spirit enters into us and brings our dead spirit back to life, actually fusing with our spirit (our spirit died because of sin and our spirit man is a powerful perfected version of us that even makes the angels tremble – and our born again spirit man does not sin. Our spirit man is the one who gets to go to Heaven fused with

our soul).

You will become a powerful being with your new man that will have all power over the dark side. Plus God has revealed new super powers of recent (actually the apostles used most of them) like releasing the anointing, healing people (yes you), binding and loosing (instantly getting bad stuff out of your soul while binding good stuff, and you can work with the Host of Heaven – you'll start with your own 100 person army of 30 to 50 foot angels many of who look like Transformers and actually transform into weapons and ships. I'm not kidding. See Kat Kerr stuff below for more on that.

Born again happens in the heart when one really, actually believes in Jesus that Jesus is God the Son Who came to die for our sins and was raised from the dead into Heaven. It's no longer a mental repetitive religious thing we did at confirmation but a real deal, we actually, BELIEVE in Jesus with our HEART and we fully believe. Believe with a verb. Try it. Think about it. Practice it and then do it.

So I'll post a prayer below that you can use and just say it with belief. You know how to do this innately. You already know how to believe in something. Remember when you were a kid how you were able to believe in things? Use that ability you already have.

We are to become the "bride of Christ". That means as a corporate whole we become the woman spiritually speaking, to God, God the Son, the man. And every man needs his woman to believe in Him! Maybe that will help provide some insight.

But Jesus is also King of Kings and Lord of Lords. He is Master of the Universe. We are to obey Him. He is God. When you realize He is God and that you were made through Him (since all of what is seen was made through Him) then, you'll realize, of course we need to do what He says. He is God.

God is One: Father, Son & Holy Spirit. Jesus is the physical facsimile of God the Father, the representation of the Father's being. Holy Spirit is the Spirit of God the Father. They are God. Need to maybe think in terms of the spirit realm and higher dimensional beings. So just as we are above and outside of a 2 dimensional object, although we can intersect with a 2D object, God is above us that way.

We used to live in God before we came here. You and I may have played

together before possibly. You personally asked to come here probably telling Father that you would do a great job setting the world right and proclaiming His glory and how wonderful He is. Well, it's time to live up to that. It's time to conquer and overcome and win the victory to return back home to the Father, proving to Him that you really and genuinely love Him and want to be around Him. This is done through believing in Him and believing Him (doing what He says) and choosing Him over all of the other temptations and things of this world; choosing to love Him over things things and wanting to be close and loyal to Him.

For indeed the universe is going through a great cleansing due to the works of Lucifer/Satan. So choose wisely. There is a time limit and we are always one heart beat away from eternity. So there is urgency, although that should not be the only reason why you choose Jesus, God today. You choose God because you want to do so. You choose God because you want Him, like Him, love Him and want do get right with Him.

Then we confess Jesus as Lord which means we make Jesus our Lord our King and we turn our selves over to Him to direct our life even moment to moment. So this is a great deal! We get to get into Heaven for sure and we have God Almighty directing, coaching us along the way all the time for ultimate and total success now and in preparing for maximum eternal success!

Here are some verses

[John 3:3](#)

Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God.

[John 3:7](#)

Marvel not that I said unto thee, Ye must be born again.

[1 Peter 1:23](#)

Being born again, not of corruptible seed, but of incorruptible, by the word of God, which liveth and abideth for ever.

Here are more verses:

[This one based on incorruptible \(the new born again man\)](#)

[Here are a list of verses based on the "new man" \(new man also means new woman\)](#)

Look especially at the verses that say "new man" which is the new born again man

In regards to our shared "Catholic" experience: God's about to clean up the church, the Body of Christ and all of these Christian religions and denominations. Catholic's religious leaders are in trouble because they went the way of the Pharisee 1. Have taken the place of Jesus as Lord 2. Have pushed away Jesus, God personally. The same 2 errors they did in the New Testament and old. That's been my experience with them having grown up Catholic, going to mass continually for the most part even through college, that drove me to seek God personally. Even as kids me and my siblings knew that it was man made religion and it wasn't real, as kids we were telling our parents!

Additionally what's being exposed now is that the Catholic church has been doing many really, really bad things for a long time. But you'll likely find that in the news eventually.

What I'm showing you is the conclusion after I went on a many year search for God – finally I cried out to Him, God my Maker directly and He showed me how to become born again in Jesus through many mini miracles in a row. So if you want the Real Deal; you want to get right with God and know it on your insides; you want to know that you're going to Heaven and in the family of God – then become born again as instructed on this page.

So after you become born again you become the bride of Christ. Yes. Bride. For a future marriage! So get to know your future spouse! The Lord is only lending us out to marry each other here for companionship and for the "holy seed" (children".)

Here is a pretty good explanation on [how to become born again](#). Go through that and say the prayer at the end – totally mean it. That's how I became born again! And wham! My life has been electric and an awesome journey with God every day!

Oh also get on Sid Roth's It's supernatural: You'll learn a ton and be blown away by the very real miracles and Heaven visitations and high level teaching <https://www.youtube.com/user/SidRoth>

Learn this stuff and then teach your parents! (go slowly on them:) Remember this is not about joining a religion. (so make sure not argue about religion since all institutionalized religion from the most part is from Babylon – made to push away God personally. I can explain that one more later) This is about getting engaged to Jesus, God the Son, Who made you with His own hands! This is about an ULTIMATE and Exciting, totally fulfilling LOVE Relationship for now and eternity! You bet this is exciting. I need to share my testimony story some time – it was amazing.”

# SALVATION PRAYER

Dear God in heaven, I come to you in the name of Jesus. I acknowledge to You that I am a sinner, and I am sorry for my sins and the life that I have lived; I need your forgiveness.

I believe that your only begotten Son Jesus Christ shed His precious blood on the cross at Calvary and died for my sins, and I am now willing to turn from my sin.

You said in Your Holy Word, Romans 10:9 that if we confess the Lord our God and believe in our hearts that God raised Jesus from the dead, we shall be saved.

Right now I confess Jesus as the Lord of my soul. With my heart, I believe that God raised Jesus from the dead. This very moment I accept Jesus Christ as my own personal Savior and according to His Word, right now I am saved.

Thank you Jesus for your unlimited grace which has saved me from my sins. I thank you Jesus that your grace never leads to license, but rather it always leads to repentance. Therefore Lord Jesus transform my life so that I may bring glory and honor to you alone and not to myself.

Thank you Jesus for dying for me and giving me eternal life. AMEN.

# Heaven and Avoiding Hell

No fear. Speaking the truth which is, are simply Bible verses. Problem is these days is that people make up doctrines and then cut out Bible verses. And when you cut out Bible verses Christianity “doesn’t work”. When you do the commands of the New Testament which is any and every verse that is said in a command style or is said in an implied command style. You start to do asking the Lord’s helping working with Him and you get better and better and Doing the Word!

# and Prophet Mike Thompson

Mike is a powerful figure in body of Christ. He is a prophet, a warrior prophet that gets to work with Michael the Archangel frequently. You can find out more of his Heavenly visions here on [his Youtube Channel](#)

So Mike has been to Heaven several times and has even talked directly with the Lord Jesus. A lot of people are having 3rd Heaven visitations, Personal visits by Jesus Himself and visions. And it's good to hear from him what he knows about going to Heaven.

On that note, if you want to know how to go to Heaven and know you are going to go, simply and plainly do what the New Testament says.

First be open to understanding of what the Bible says because understanding is revealed by you spending time with God in His Word. Make sure you read the Bible directly in what it says and do not filter the Bible from church doctrines (most church doctrines cut out large parts of the Bible in attempts to make the Bible easier).

Once you hear the Word of God, then ask for understanding. Once you understand then do what the Word of God says. For only those who do the will of the Father will get into Heaven and the will of the Father is the Word of God. Hear what He says and do as He commands.

*"Not every one that saith unto me, Lord, Lord, shall enter into **the** kingdom **of** heaven; but he that doeth **the will of** my **Father** which is in heaven."* [Matthew 7:21](#)

You can see a search for "[will of the Father](#)" and read many different versions of the Bible at [BibleGateway.com](#). You can read the Hebrew and Greek to English [Interlinear Bible at BibleHub.com](#) and also look up the Strong's definitions of each word.
