2. Take all verses that say directly or imply for you to do this or that, and do them, turning them into your habits.
3. Take all verse that imply for you to understand this or that, and pursue understanding.
4. Be taught by God; Jesus says He is your One and Only Teacher so go to Him with your questions. Talk to Him. Yes you can talk to Him. Just don't talk at Him talk with Him which means listen to Him. You'll know his voice
5. Believe on Jesus and you will be saved. Believing on Jesus includes:
 1. Believe He is God the Son through Whom your were made, He is your Maker.
 2. Believe that God the Son became man, died for your sins as a sacrifice so you can be restored to a Holy God.
 3. Believe that Jesus was risen from the dead back to Heaven to be seated at the right hand of God the Father.
 4. Believe in Jesus as a Person.
 5. Believe Jesus. Believe what He says. Believe Jesus when He says that He must be your Lord and Master for you to be saved.
 6. Understand that a Lord and Master means that God, Jesus is your director of life, even moment by moment as you follow Him in the Spirit. You, by believing on Jesus today, you will be regenerated and have a new powerful part of you that is born from above, born of God, a new spirit man version of you that is powerful and does not sin. Understand that Jesus as Master means that He owns you,

purchasing you with a price, redeeming you from the grips of the anti-god creature called Sin, because once you do one sin, sin owns you. If you are owned by Jesus then He gets to claim you and bring you home to Heaven. So yes you want to be owned by God, by Jesus! Because if sin owns you, it gets to keep you for the rest of eternity after this life in the flesh doing brutal evil to you for eternity which is very not good!

7. Understand that if Jesus is your Lord, which is a requirement to be saved, then you must do what He says. So go learn the New Testament well and turn the New Testament concepts and actions of goodness into your beliefs which then will make them your habits. And get rid of the bad things the New Testament says not to do, that the New Testament calls sin.
6. Do these things and you will do well. You will get into Heaven. And you will build much eternal wealth in the process. But do be aggressive in pursuing doing what the New Testament says because you may not feel like it (in your flesh). So use your will and actively and aggressively choose to pursue God and do what He says. And I speak from much personal experience.

How to get into Heaven – The Longer Version

For starters:

1. Ask God your Maker the One you KNOW on your insides is God to help you get right with Him and to show you how to become one of His children in Heaven.
2. Ask God to enable you to believe in Jesus.
3. When you feel you are able to believe on Jesus then believe in your heart that God the Father raised God the Son Who is Jesus from the dead after Jesus came and died for your sins.
4. Confess with your mouth out loud that Jesus is Lord. This means that you admit and agree that Jesus is the ruler over everything and with an act of your will you invite Jesus to be your Lord. This means you invite Jesus to direct your life. And this also means you will follow Jesus and do as He directs you.

5. Express to God that you are sorry for all the wrong things you've done that have offended Him and made Him upset, hurt His feelings. Then tell God you want to change your ways and do what He wants you do. Ask God to help you now and for the rest of your life to help you become successful in this life for eternity and to help you fulfill your destiny that He has already pre-written for you.
6. Thank God for saving you and praise Him for being so kind, loving and awesome.
7. Now your journey unto total eternal success begins. Start by spending time with God in His Word for He says "Salvation is this: to know God the Father and Jesus Christ the Son whom the Father has sent" – John 17:3.
8. Learn all Jesus' commands of the New Testament which is any verse said in a command style or an implied command style. Learn them. Understand them with the help of your One and Only Teacher, Who is Jesus. Ask, seek, knock for understanding. Turn Jesus commands into your beliefs and habits. "Reprogram" yourself with Jesus commands and when you do, you'll bear a return of 30, 60 or 100 fold! This is the "secret" to success as plainly stated in the New Testament.
9. Conversely, get a the list of 666 sins of the Bible. Know what these sins are so you can identify what is a sin and a. get it out of you, cancel out the sin belief whereas you thought it was ok or good to do such a thing and now admit it is not ok at all to do such a thing that the Bible calls a sin. If you don't install the commands of Jesus of the New Testament and uninstall the sins listed in the Bible then you will be vulnerable to trouble. You will have "built you house upon the sand". You have a very real enemy. Although you have power over the enemy in Christ, but when you sin you empower the enemy against you. So know what these sins are and uninstall them from your being. You grew up in this world, live in the world and the dark side has been programming you with sin beliefs you are not even aware about for a long time.
10. Obey Jesus commands and turn them into your habits + get out all the sins of your life + listen, follow the Lord's real time directing of your life
11. Get baptised by immersion to signify you have been born again from above.
12. Get baptised in God the Holy Spirit by the "laying of hands".

13. Pray often. Talk with God. Talk with Jesus, after all do understand that Jesus is your spiritual spouse to be where as you are the bride and He is the groom. What couple would get married if they never spent time together or talked with one another. Also when you pray, understand it is a conversation – don't do all the talking.
14. God is seeking worshipers in Spirit and in Truth – this is why we were made. So worship God in Spirit and in Truth. Thanks and praise is something you want to start doing more and more and more.

How to get into Heaven Steps.

1. Pursue God

1. Go after God hard to get right with Him
2. You need to seek God. You need to show you really care, that you really want Him. It's just how it works. Because God is really loving and sincere and wants to know if you really like Him, love Him and want Him: ⁷ Ask, and it shall be given you; seek, and ye shall find; knock, and it shall be opened unto you: ⁸ For every one that asketh receiveth; and he that seeketh findeth; and to him that knocketh it shall be opened." Matthew 7:7

2. Ask- Pray directly to God your Maker and ask him to help you get right with him and ask Him if you can become one of His children so that you can be with Him forever in Heaven. Don't pray to anyone else except the One you know to be God from your insides. Don't let thoughts of religions confuse you. You are trying to get right with your Maker, Who you KNOW is your Maker.

1. If you know about Jesus then ask God to show you Jesus and enable you to believe on Jesus.
2. You may have said that You believe in Jesus in the past but you need to really believe in Jesus with your whole heart. Forced religious repetitions and "confirmations" do not count if it isn't real between you and God according to the Bible. You also need to believe Jesus, believing what He says and therefore doing all that He says, in order to believe on Jesus.

3. Believe – if you are ready, say the prayer with all your heart:

SALVATION PRAYER

Dear God in heaven, I come to you in the name of Jesus. I acknowledge to You that I am a sinner, and I am sorry for my sins and the life that I have lived; I need your forgiveness.

I believe that your only begotten Son Jesus Christ shed His precious blood on the cross at Calvary and died for my sins, and I am now willing to turn from my sin.

You said in Your Holy Word, Romans 10:9 that if we confess the Lord our God and believe in our hearts that God raised Jesus from the dead, we shall be saved.

Right now I confess Jesus as the Lord of my soul. With my heart, I believe that God raised Jesus from the dead. This very moment I accept Jesus Christ as my own personal Savior and according to His Word, right now I am saved.

Thank you Jesus for your unlimited grace which has saved me from my sins. I thank you Jesus that your grace never leads to license, but rather it always leads to repentance. Therefore Lord Jesus transform my life so that I may bring glory and honor to you alone and not to myself.

Thank you Jesus for dying for me and giving me eternal life. AMEN.

1.

4. Receive – open up to Jesus.

5. Be Baptized – full immersion signifies the dying of the old self and the rebirth, signifying being born again, being born new from above, becoming a new creation in Christ, dying and been raised from the dead. When you understand this you understand how important it is to be baptized with the full immersion. There are many churches that came to follow the Bible do full immersion baptism that you can contact to be baptized or simply find someone who believes on Jesus being born again, who follows Jesus, and ask them to baptize you in a swimming pool, a bath tub or other safe body of water.

1. Be Baptized

2. Repent out all sin

1. Get this list and know the sins of the Bible well so you will not be tricked by them later. You do not want to get deceived by send and ruin your life, or ruining your

destiny, or cause other people to not become saved! You were very fortunate to have this list of sins and list of commands tell be prevent wasted time and countless error – that most have fallen into because no one trained them in the sins and commands of Jesus.

2. Beware of organizational doctrine! Many, many and putting denominations, pastors, Bible teachers over Jesus Him, thereby denying Jesus. That's very bad. Jesus says He is your one and only teacher for only he can reveal to you understanding of the word Of God and help you apply the word of God in real-time. Understand that when most form a new denomination or new "religion" they're doing so to create their "new and better way" or their "new and easier way". Understand right now that there is no easier way! The only way is the word of God. And Jesus is the word of God. What Jesus has told us throughout the New Testament, through His commands and sayings which are further expounded upon by the apostles is the only way to the Father, and is the Father's will, and only those who DO the Father's will, will get into Heaven!

3. Being in send is a disaster. You become a bad testimony that causes others do not believe on Jesus. Some may never get another chance and will not make it to heaven because of you being in sin. So get this perspective now! It's very important. We don't want to be held accountable for someone going to hell because it was our fault. Maddie don't tell you this because they're trying to make it "easy" for you which is not easier at all– They are setting you up for a big giant mess and failure!

3. Obey Jesus commands of the New Testament

4. Bear fruit for God and the Kingdom

1. Obey Jesus commands = you bear 30, 60, 100 fold returns for the Kingdom

2. Worship and Praise God – for this is the #1 reason for why you were created. As you get better at doing so this becomes the most amazing, fun, powerful thing you can do. What is worship and praise? See below

5. Rule and Reign in the authority of God through the Name of Jesus

Important FAQ:

What is Worship and Praise?

This is a love experience between you and God. God is seeking worshippers in Spirit and Truth. He wants you to genuinely worship Him, praise Him, thank Him, honor Him, pay attention to Him, spend time with Him and love Him. He wants you to be in love with Him. That's really neat isn't it!

How do I Uninstall a Sin, a Sin Belief, a Sin Habit?

What's a sin? It's a relationship offense against God. It's a rebellion against God's commands. Jesus is King of Kings and Lord of Lords; and He's God; and He's our Master where we are the servant/slave. So we better be obedient or we're in big trouble. Plus Jesus says "if you love me, obey my commands". So then Jesus will not feel loved. And we want to make Him feel loved because firstly we just do, secondly we are engaged to Him and thirdly we don't want to mess around with things regarding eternal life, so don't mess with the King!

You can identify this sin exactly by first understanding what it is. Look up in the dictionary on Words you don't absolutely understand. Also go to Biblehub.com and use the Interlinear Bible so you can look up the Greek and Hebrew words for exact and more elaborate and more accurate definitions of words. Pray and ask the Lord what things mean, if you have these sins in you, if and if you do those sins. Then listen. Talk have conversation with God and He'll will help you. He certainly hear from you and talk with you. In fact Jesus says He's our One and Only Teacher – so go to him with your questions instead of trying to figure it out on your own (which doesn't work very well...).

One does a sin because they believe that sin is okay or even good to do. If you really and bluntly, honestly look at why you do a certain thing that is considered a sin you will see this.

A sin is essentially a belief. One will do a sin because they believe it's okay or good to do. So our job is to believe in what God says is good and to stop believing in what God Says is a sin.

You can see the difference between what God Says to do verses what's a sin by learning [Jesus' Commands of the New Testament](#).

So by believing Jesus and what He says then you'll do what he says and your bear a lot of fruit. And if you believe in Jesus you believe him and what he says therefore you'll do what he says. Obedience to God = faith in the Bible. So in order to when Jesus you need to obey Him. By doing what Jesus says, you make Jesus your Lord, which is salvation after you are born again.

And remember that this life here in this realm is a puny lifespan in a dark world. We are not supposed to be seeking to maximize ourselves for this world but we are supposed to maximize ourselves for eternity! What's longer: A billion years or 70 years? Right. And what we do now determines our eternal wealth and our eternal power position to rule and reign with Christ in the millennial Reign and on the New Heaven and new Earth.

So do everything you do for eternity, putting the Kingdom of God and His righteousness first. You'll be certainly glad you did. And really, according to the Bible, you really don't have an option as we see the parables of what happens to those who do not produce fruit, a return for God and the Kingdom of God. So on that note get to know your Bible very well.

What Does it Mean to Follow Jesus

1. Obey [Jesus' Commands of the New Testament](#). Turn these commands into your habits which turns them into your beliefs.
2. Walk in the Spirit. Be the new man, the born again man that is born of God if you finally and really believed by going through the steps above. Don't follow your flesh man. Be "spiritual" filled with God the Holy Spirit. Abide in Christ. Walk in the Light. Abide in love; God is Love. Be guided by God even moment to moment.
